TERMS AND CONDITIONS OF SALES

TERMS: Five per cent (5%) discount and free boxing and packing when cash accompanies your order. This does not apply to balled and burlapped items, such charges will be at actual cost of the material used.

All accounts are due sixty days from date of invoice. Interest charged on past-due accounts. Cash or satisfactory reference is required of unknown parties.

COLLECTED STOCK: We handle each order for collected stock individually. All material is dug fresh from the forests—on wet days only—after the order is received. The plants are selected by experienced collectors, graded in the woods; the best plants brought to the nursery, and regraded there. Shipments of collected stock are en route to customer within a maximum of 48 hours from the time plants are taken from the forests. We do not guarantee all shipments of collected stock to be satisfactory, but we believe our method of handling this material insures better quality of plants. All collected stock is fresh-dug; nothing kept in storage. Orders are booked from special quotations only. Send us your want list.

SHIPPING: Please give us definite shipping instructions. In the absence of special instructions we use our best judgment without assuming responsibility. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the forwarders alone are responsible.

We charge for boxing and packing at cost of the material used. Orders are accepted subject to prior sale of stock, crop injury or loss from any causes beyond our control. 25 plants at 100 rates; 250 plants at 1,000 rates; 2,500 plants at 10,000 rates.

CLAIMS: We are careful to keep our stock true to name as labeled and will replace on proper proof, any stock that may prove otherwise, free from charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price. No claim will be entertained unless it is made within ten days after stock is received.

TRUCK SERVICE: We are able to offer delivery in private trucks within a radius of 600 miles. Charges average about the same as railroad rates with the elimination of packing charges and delivery to your door. Write for further information.

READY-MADE GRAFTS

Our grafts are carefully prepared by expert workmen and are thoroughly calloused and ready for planting when shipment is made. Each shipment will include proper planting instructions. We use Washington grown seedlings exclusively, and our scions are secured from our orchards or other dependable source and are always true to label.

Last year we prepared over one million grafts for our customers. Won't you let us take care of your grafting problems for you?

CREEPING PHLOX

Per 10 Per 100

One year	\$ 2.00	\$ 15.00
--------------------	---------	----------

An early spring flower with mosslike, evergreen foliage, which during the flowering season, in April and May, is hidden under the masses of bloom. An excellent plant for border or for carpeting the ground. Any roadside nurseryman or florist should have this item on display as they will increase your sales considerably.
